Same Day Delivery conditions:

Together with our existing logistics service providers, Swiss Post and Camion Transport, we have developed a solution that enables us to deliver to 90% of all Swiss localities on the same day.

Deliveries under 30 kg will be sent by post. These can be ordered by 10.30 a.m. and, depending on the destination, delivery is made by 5.00 p.m. (afternoon) or 8.00 p.m. (evening) at the latest.

Deliveries over 30 kg are picked up by Camion Transport directly from us and delivered to you. Here an order is possible until 2.00 p.m - the delivery takes place until 8.00 p.m at the latest.

The recipient must be present at the time of delivery for both types of shipment (mail or general cargo).
